What We Did In '54

Joy, happiness and occasionally sorrow filled the school year of 1954 for all Jefferson High School students. For us at Jeff, it was a year of classes, sports events, parties, dances and club activities.

The Bronchoette Gallop, held October 6, 1953, began our social year; then came the Red and Black Revue, October 30, 1953, that brought out the talents of many Jefferson "stars."

Many picnics were held in the fall by the various clubs at Jeff. For the entertainment and enjoyment of our school days, many convocations, from speakers and ministers to Indian dancers, were held.

Every Wednesday night the Youth Center was held for the Jefferson students and their friends to dance, play ping-pong and win cash awards.

Next on the agenda of dances was the "Queen of Hearts" Dance, January 30. The 1954 graduating class presented their play, entitled "Our Hearts Were Young and Gay," on March 25 and 26.

In the year 1954 we followed the Jeff Bronchos to the semi-finals but unfortunately left them there.

Then came the climax to a wonderful senior year—the Senior Prom held May 6 and the Senior Trip to New York City.

Bill Niemantsverdriet was given a Sheaffer pen and pencil set during his reign as king of the Bronchoette Gallop on the night of October 3, 1953, at Allen's Ballroom. He was crowned by Patsy Douglas, president of the Sunshine Society, the sponsoring organization.

Being the first dance of the year, the Gallop was attended by about three hundred couples who danced to the music of Jeff Carter's band.

Bill's attendants were Bill Burgess, Denny King, Dave Pitstick, Jim Rumpza, Harold Traviolia and Larry Welch.

Queen Of Hearts

January 30, the North Ballroom of the Purdue Union Building was the setting of the annual Jefferson Hi-Y Queen of Hearts Dance.

The music was provided by Chet Bauch and his fifteen piece band from nine to twelve.

Hi-Y members presented their dates with silver bracelets, inscribed with their initial, in miniature blue jewelry cases.

Evaline Baldwin was chosen queen of the dance and was presented with a locket and a bouquet of roses by Jack King, Hi-Y president. Other candidates, petitioned by the Hi-Y members, were Jane Fowler, Merle Hazelbaker and Mary Ann Hostetter.

Red And Black

For the first time since 1951, the traditional Red and Black Revue was held October 30, 1953, in the Jefferson gymnasium.

Mr. George Price was general chairman and the theme this year was "The History of Lafayette." It consisted of six acts and sixteen specialties. The first act was "Injuns" with Miss Betty Callahan directing. Mr. Ernest Cortner directed "The Jenny Lynn," the second act. "The Freedom Road" was the third act under the direction of Mrs. Jane Williams. The fourth act told of

the entertainment that used to be in Lafayette at "The Plank Road Inn" with Miss Carolyn Griffin as director. The fifth act switched to the "Little Red School House" directed by Mrs. Gertrude Krueger. The "Finale," under Miss Camilla White's direction, was a salute to the grade schools, high schools, colleges and industries of Lafayette.

Mr. Richard Bowles was director of the high school orchestra which added zest to all six acts. Mr. Ellis Hopkins directed the specialties.

Standing: J. Redd, P. Runner, H. Skadberg, G. Simler.

Senior

Dreamy music from the piano keys of Ralph Flanagan, swishing formals, white dinner jackets and orchids were pleasing strains and scenes at the 1954 Jefferson Senior Prom. The Prom was held May 6 in the Jefferson gymnasium.

In keeping with the theme, "Starlight," the Jefferson gymnasium was decorated with a crepe-paper false ceiling, blue stars twinkling on and off, representing the sky and giving the effect of an outdoor scene. The band was located on the west side of the gymnasium under a canopy as on a porch.

Approximately four hundred couples attended the Senior Prom and danced from nine to one to Ralph Flanagan's band.

Prom

The seniors worked diligently to make their Prom a success by selling popcorn, soliciting magazine subscriptions and collecting scrap paper to provide a big-name band. After all the work was done, they were pleased by the results of their efforts.

Prom committee chairmen were Nancy Verplank, band; Karen Edwards, invitations; Barbara Carpenter, publicity; Phyllis Ade, decorations; George Simler, refreshments; Pat Runner, coatroom; Joe Redd, programs; and Harold Skadberg, tickets.

The Prom will long be remembered by those who attended as one of the biggest and most exciting events of their senior year.

Senior

"Our Hearts Were Young and Gay," a humorous three-act play based on the novel by Cornelia Otis Skinner and Emily Kimbrough, was presented on the nights of March 25 and 26 by the class of 1954.

Mr. George Smith was director and Marlene Taber was student rehearsal assistant of the 1954 Senior Play.

The first and second acts of the play took place in a cabin aboard a ship going to Europe in the year 1923. The third act took place in a small hotel in Paris.

"Our Hearts Were Young and Gay" is the true story of Cornelia's and Emily's exciting childhood. When the two girls were nineteen, they decided to take a trip to Europe. The girls had many amusing adventures and met some interesting male passengers on the ship to Europe.

Youth Center

Each Wednesday night the Columbian Park Pavilion is converted into a Youth Center for students of Jefferson and surrounding schools.

The Lafayette Federation of Musicians provided a band for dancing, with the Jeff Dance and Dixieland Bands playing when their services were needed.

In its fifth year, the Youth Center provides ping-pong, checkers, cards and shuffleboard for those who attend. In addition, a door prize is awarded every Wednesday night.

Supplementing the regular program were special nights when additional programs were held such as anniversary, Christmas, back to school, vacation, a dance and party after the Jefferson and West Lafayette football game and an "after the prom" party.

Mr. Charles Hopkins was the manager of the Youth Center.

FACULTY

Jefferson's faculty is one of superiority. No where in our community can you find a more ambitious, co-operative group of teachers. Not only is their knowledge most complete but their willingness to help with extra-curricular activities is certainly commendable.

This picture to the right of a typical Monday morning shows the usual friendly spirit of our faculty. Co-operation is found among the teachers as well as between the teachers and the pupils. Students always find a receptive ear when they go to a teacher to ask advice or to receive assistance with a personal problem.

Many members of the faculty sponsor extra-curricular organizations such as the Hi-Y clubs and the girls' clubs. They also co-operate in sponsoring class talent shows and class-selling projects outside of the schoolroom.

Teachers as well as students require study. Some of our teachers go to various universities and colleges during the summer to attain higher degrees.

School

Mr. J. Russell Hiatt is superintendent of the Lafayette Schools. Mr. Hiatt's duties are to carry out the policies of the school board, recommend policies to the board, recommend hiring of teachers, help the school board with new school problems and act as the public relations man of the school city.

The Board of Education includes Mr. Russell Davis, president; Mr. George DeVault, treasurer; Mr. Gray LeVitt, secretary; Mr. Harry Schultz and Mr. Harry Murphy. Mr. Glen Armstrong is the school city's attorney. With Mr. Hiatt these men give their time and energy to keep our schools running smoothly. The school board's duties are to appoint a superintendent of schools, determine and fix the policies of the school, set the school budget and determine what new schools shall be built.

Mr. Lynn Miller, principal, has many important responsibilities. One of these is his dealings with public relations. Also Mr. Miller is in charge of athletics, the curriculum, supervision of instruction and enrollment of our school.

Vice-principal, Mr. V. D. Montgomery, is in charge of disciplinary action, acts as principal when the principal is away, has charge of the general office and is in charge of attendance.

Vocational director is Mr. Harold Askren, and vocational co-ordinator is Mr. Karl Leffler. Their job is to supply all students who are not going to college with an adequate vocational course.

Mr. Glen Garman, superintendent of the physical plant, and Mr. Albert Critser, maintenance superintendent, are a part of our administration which keeps Jefferson the school it is. Their job are as their titles imply.

Nurses are very essential to a school. The school health service provides a planned program for the health of the students. Physical examinations, hearing and eye tests, chest X-rays and tuberculosis patch tests help provide protection against defects in health. Our school nurses, Mrs. Pauline Gilmer, Mrs. Lydia Farmer and Miss Louise Wright, are prepared for any accident or sudden illness that may occur.

Mrs. Betty Torrenga is attendance officer of Jeff. It is her duty to see that students are not absent from school due to anything but illness, or for some other legitimate reason with an excuse from the parents.

These administrators are like a team, working together to achieve the goal of a perfected school.

Secretaries

Importance is the key word used when referring to our secretaries. Without their assistance most of the tasks that are to be performed for both our faculty and students could not possibly be completed.

Miss Nancy Bogan is secretary to Superintendent J. Russell Hiatt. Her many duties include taking care of teachers' personnel records, state reports and the general business in the superintendent's office. Miss Dora Flatley is the school city's bookkeeper.

In the general office you will find Miss Regina Schrader and Miss Mary Harrington ready to aid you in any way they can. They perform such duties as supplying substitutes when teachers are absent, answering the telephones, keeping records of attendance, completing applications to college, selling tickets to games and other school activities, giving admits and making up the bulletin.

A new addition to our school is Mr. Marion Crawley's secretary, Mrs. Marian Howell, who takes care of sports events' tickets, tourney reports and aids Mr. Crawley in his many duties.

Miss Lina Bright is secretary to Principal Lynn Miller and is also treasurer of the extra-curricular activities of Jefferson.

Mr. Leonard Smith is assisted with his many duties in the library by his secretary, Mrs. Betty Ade, who takes care of the book rental records and works in the library.

Jefferson High School's Parent Teachers' Association is a local unit of the National Congress of the Indiana Congress of Parents and Teachers. Our chapter co-operates with the other units in our community through its membership in the Lafayette Council of Parent Teachers' Association.

Meetings are held on the second Thursday evening of each month. The purpose of the Parent Teachers' Association is to help bring into closer relation the home and school so that the parents and teachers may co-operate intelligently in the training of the child.

This school's chapter sponsors scholarships to colleges and universities. They also join in the sponsorship of the Youth Center at the park. Jeff's unit sponsors a student aid program along with their many other activities.

This year the organization was under the leadership of Mrs. Ray Linville who served the group as president. Assisting Mrs. Linville were Mrs. Gray LeVitt, first vice-president; Mr. Lynn Miller, second vice-president; Mr. Raymond Bender, treasurer; and Mrs. Noah King, secretary.

CLASSES

We now come to what is actually the most important part of our high school careers. Too many students do not place enough emphasis on their studies. They fail to realize that their entire future may rest on their success or failure in high school. A record of every student's work in Jefferson High School is kept on file for reference by future employers.

At the right is a picture of a typical laboratory scene in Mr. Bill Levering's physics classes. Here the students are measuring wave lengths with a tuning fork and a graduate.

Often extra-curricular activities interfere with the classroom routine. While these activities are important, they should be secondary to school work. Teachers try to impress this upon their students, but sometimes these students do not realize how important their studies are.

The next time an occasion arises whereby you may be excused from a class by a blue or yellow pass, make sure it is more important than your class.

When the walls come tumbling down.

English

At Jefferson, our English department plays a very important part in a student's high school training by aiding him to better understand the English language and to make better use of it in coming years.

There is no reason why one should ponder over correct word usage, pronunciation and spelling when there are such fine grammar courses available to our students. After three semesters of either remedial, general or academic grammar we have a thorough understanding of the basic fundamentals of correct English and its usage in everyday speech.

Literature gives us a better over-all summary of great writings and their authors. Our instructors take us on a tour into a strange and different world of the past as we study fantasies, plays, poems and short stories written by some of the world's greatest authors.

The speech department has readily become a very popular and profitable course by helping the students to overcome their shyness. This course gives confidence to a student when he is before a class reciting or addressing a large audience. Another benefit from this course is that it teaches one to express himself orally, which many find quite difficult. The department is ad-

Department

vancing, and it is quite probable that a speech club will be formed soon. With the forming of this club and with the extra-curricular activities such as participating in the radio forum, "Citizens of Tomorrow Speak," and various speech contests, more and more students will be taking advantage of this opportunity.

Dramatics is the study of pantomime, one-act plays, stage settings and make-up. The dramatics class put on a book-week skit and one-act plays.

Composition teaches students to express themselves in their own way. Creative writing plays a very important role in this course, which is very important in a student's preparation for college.

Journalism betters writing skill and teaches the technique of "putting together" a school newspaper. It also gives a person training and experience in writing and organization.

Teachers composing the English department are Mr. William Fraser, Mrs. Marian Gettings, Mr. Charles Hopkins, Miss Mary Kennedy, Mr. George Smith, Mrs. Jane Williams, Miss Anna Wood and Mrs. Lelah Zahn, who is the chairman.

Art Department

The year 1954 found Jefferson's art department very busy under the direction of Miss Georgianna Kienly.

The advanced students were found making oil paintings of familiar scenes in Lafayette, while the less experienced made masks which were used for string holders or Halloween masks. Along with the masks the underclassmen had a display of Thanksgiving paper plates between the second and third floors.

Some of the advanced students made a Christmas mural for the cafeteria, and they also had displays of their work between the second and third floors.

Jeff's artists were kept busy making decorations for the Bronchoette Gallop, Queen of Hearts Dance, backdrops for the Red and Black Revue, greeting cards and posters of every type. Some of the students won honors by entering their posters in various contests.

Music Department

Let's all sing like the birdies sing.

Instrumental music and vocal music make up the two sections of the music department.

The instrumental section consists of Senior Varsity and Concert Bands, a Senior Orchestra, a Junior Band and a Junior Orchestra with Mr. Richard Bowles directing all bands and the Senior Orchestra, while Miss Nellie Slayback heads the Junior Orchestra.

The Varsity Band played for basketball games and parades while the Concert Band played for contests, concerts and other civic events. The two bands, combined, marched for the football games.

Topping the vocal organizations is the A Cappella Choir, under the direction of Miss Camilla White. Other vocal organizations in this department include the Girls' Glee Club, Choralairs and the Junior High Choruses.

A Christmas concert, combined of both the vocal and instrumental sections, was presented December 20, 1953, in the gymnasium.

In addition to the annual singing of the A Cappella Choir at the Christmas convocation, the Concert Band repeated their performance of the Christmas concert.

The A Cappella Choir sang also at the Thanksgiving convo and presented a Christmas concert over WFAM-TV.

Science Department

"Scientists of the future" can be the title given to the students completing the courses necessary for a major in science. This department starts in the ninth grade when all the students are compelled to take freshman biology. This course deals in the fundamentals of plant and animal life and gives the pupil a brief but understandable knowledge of the workings of his own body.

Those still interested in this type of study may take a full year of physics in their junior year. Physics primarily covers the different laws of nature.

Chemistry is offered the senior year for two semesters and deals in the study and use of chemical formulas and the theories behind them.

For students who do not desire to take the full two years of chemistry and physics, physical science is offered. This two semester course is split into two divisions, physics and chemistry.

Both the physics and chemistry classes have separate laboratories at their disposal for use in conducting experiments, thus showing that experience is the best teacher.

Teachers in the ninth grade biology classes are Mr. Roger Claseman, Mr. John Lazar and Mr. Darrel Neidigh.

Mr. Bill Levering teaches physics, and Mr. Luther Troutman teaches chemistry.

Mr. Levering and Mr. Troutman teach the physical science classes.

Home Economics Department

Future homemakers are found in the home economics department's cooking and sewing classes. Our home economics department offers practical knowledge in meal planning, food purchasing, principles of nutrition, table decoration, home nursing and home management.

In order to be better citizens of tomorrow, we should have the knowledge to run and manage a home efficiently.

"A stitch in time saves nine" could be applied to the sewing classes. The sewing machines are kept quite busy as the girls make very attractive wearing apparel of all styles and for all seasons. Miss Helen Grishaw instructs the girls in the clothing classes.

In our sophomore year we are required to take health education which gives us knowledge in first aid and good health. Mr. Orval Martin teaches health education to the boys, and Mrs. Emily Price instructs the girls.

Courses in home nursing and care of children help in the management of your home of tomorrow. Practical nursing and first aid are taught by Miss Gleela Ratcliffe.

Many delicious dishes and meals are prepared by the foods classes taught by Miss Irma Slayback and Miss Ratcliffe.

All of these go together to help make our living better. Socially it will help our family relations and getting along with others.

Mathematics

Use the quadratic formula.

Department

As we look back over four years of mathematics courses, we remember how difficult it seemed at times. Now we realize that, in a sense, it was fun. Every problem solved was an achievement.

Our many math instructors have given us a good background in mathematics that will be useful to us in business, college and everyday living.

Math is one of the most essential factors in our life. We need it in everyday living and in any career that we may choose after graduation from Jefferson. Our mathematics department offers every branch of mathematics anyone needs. It offers business math for the commercial student and everything from algebra to trigonometry for the college preparatory student.

Only one year of math is required at Jeff, but the majority of the students take more than one mathematics course. For the college bound student, four years of math are offered and advisable. These courses prepare us to face financial and business problems and provide us with an all-around background of this important science.

Taxes, financial and business problems and just everyday living, outside of careers in science, industry and engineering, show us how often we utilize mathematics. Even trying to plan a good budget or stretching an allowance requires good mathematical techniques.

We have a large staff in our math department. In the Junior High you'll find Miss Ruth Sexton, Mr. Ernest Deagan, Mr. Robert Taylor and Mr. David Bonham teaching algebra and Miss Sexton and Mr. Deagan teaching general mathematics.

Miss Mary Seever teaches solid geometry; Mr. Milt Leverenz and Mr. Taylor teach plane geometry. For those who want advanced math, college algebra, advanced algebra and trigonometry are offered. Advanced algebra is taught by Mr. George Kenzler and Mr. Leverenz, with Mr. Kenzler teaching college algebra and trigonometry. Commerical mathematics is taught by Miss Seever and Mr. Taylor, and senior math is taught by Mr. Leverenz and Mr. Taylor.

Commercial

Students attending Jefferson are very fortunate in having such a complete commercial department. The importance of commercial subjects is stressed by the fact that so many students sign up for courses in the commercial field which are essential in the business world.

To the students who are interested in clerical work or secretarial jobs, typing is one of the most important subjects. Even if one is not interested in clerical work, typing is almost essential and very useful in college work and most occupations.

Three courses in typing are offered. In typing I, students are instructed in the basic fundamentals of typing, and accuracy is stressed. Speed and skill are emphasized in typing II and typing III. Typing is taught by Mr. James Ade, Mr. Ernest Cortner, Mrs. Nina Harris and Mr. Charles Martin.

Mrs. Harris teaches shorthand and transcription. Besides being a rapid means of taking dictation, shorthand can be useful when taking notes in college lectures. Transcription—advanced shorthand combined with typing—is transcribing letters and other office dictation on the typewriter. It prepares students for secretarial positions.

In salesmanship, Mr. Andrews teaches the characteristics of personal selling. Salesmanship involves methods of obtaining customers, preparing

to meet the customers, opening the sale, determining the customers' wants, presenting the goods, meeting the customers' objections, closing the sale and increasing the sale.

Merchandising, taught by Mr. Andrews, is buying, selling, storage, forming other marketing activities and the process of operating retail or wholesale business. Merchandising is the study of the many marketing activities and the process of getting the goods from the producers to the consumers.

Taught by Mr. Andrews and Mr. Cortner, general business is the study of basic business understanding. Students taking general business study banking, budgets, insurance, communications, transportation, filing and credit. They learn how to save and spend their money wisely.

Mr. Cortner explains how to run an efficient office and the basic principles of business in his classes of office practice. His students learn to run office machinery and to perform secretarial duties.

Mr. Russell Bradley teaches bookkeeping, which is the study of keeping systematic records of business transactions.

Business law, which is taught by Mr. Bradley, is the study of rules and regulations that businessmen observe among themselves and in dealings with others.

Department

Woodworking, general shop, auto-mechanics, printing, beginning machine shop, electrical shop, mechanical drawing and vocational machine shop compose the varied subjects given under Jefferson's industrial arts program. With a chance to develop initiative and skill the students in these courses have built radios, items for the home, wooden articles and have run the lighting system for all the stage productions either in the auditorium or the gymnasium.

The printing department produces most of the forms used by the city schools and many other projects, such as printing the Jeff BOOSTER.

Boys taking auto-mechanics have a chance to work on their own cars thus giving them excellent experience in this type of work.

Beginning machine shop gives the student a good view of this vocation, therefore helping him to decide whether he would like to continue this type of work.

Vocational machine shop, which is on a more advanced level than beginning machine shop, is mainly for those students interested in machine shop and those planning to continue this vocation upon leaving Jefferson.

All in all the vocational subjects offered at Jeff have developed into a wide variety of fields which help the industrially inclined students a great deal.

The materials, tools, and machinery used in the different classes are professional and semi-professional, therefore giving the student a full knowledge of the workings of the equipment and its care and treatment.

Instructors heading the industrial arts department are Mr. Gerald Hitchings, Mr. Robert Leavitt, Mr. Elbert Morgan, Mr. George Price, Mr. Richard Thoennes and Mr. Harold Wills.

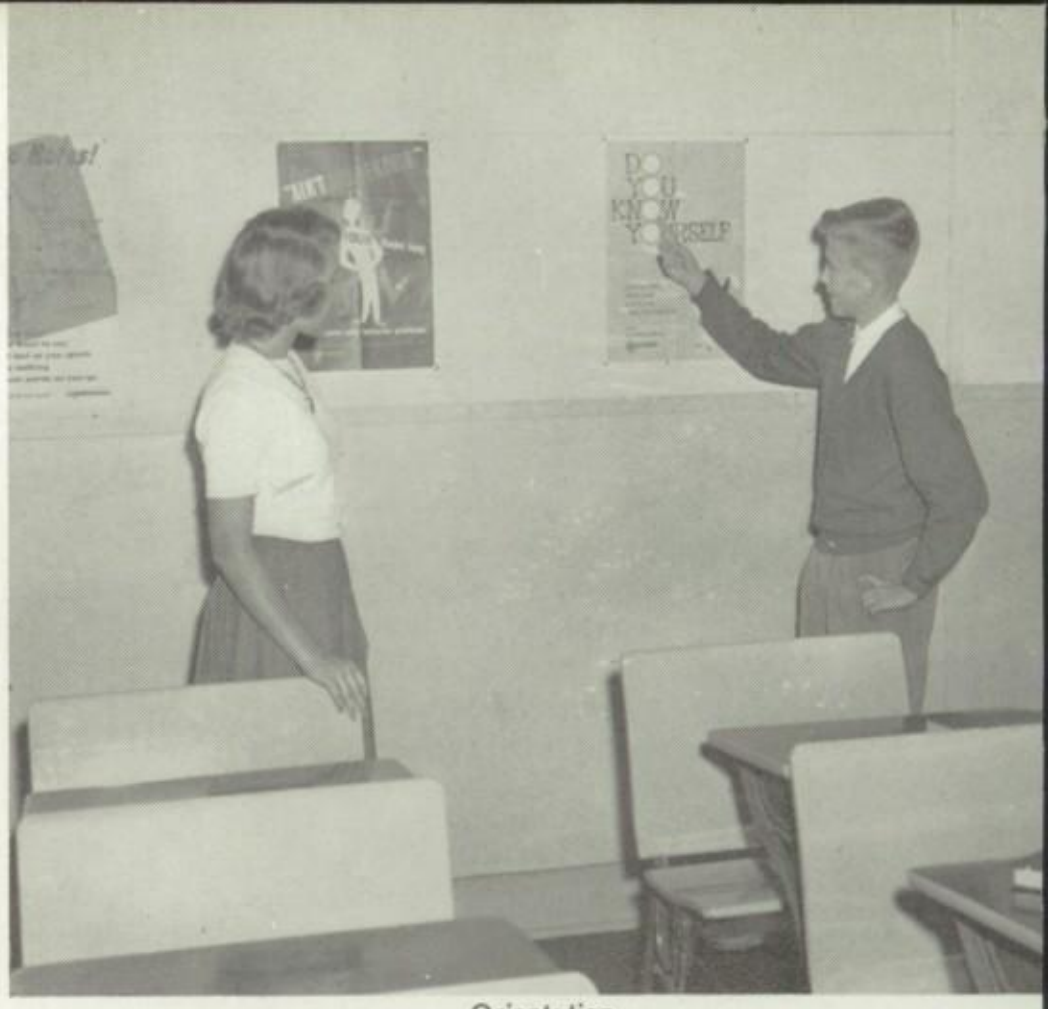
Social Studies Department



Orientation

Social studies play a most important part in our school curriculum today since world affairs are becoming of increasing importance every day.

Too many of us at Jefferson attach too little significance to the subjects in the social studies department, which are very important in preparing us for life after we leave Jeff to take a job or go to college by giving us an insight into world and United States affairs.

To give the students a better understanding of our government, world affairs and the physical layout of the land is the main purpose of the social studies department.

During our freshman year at Jefferson, we get our first taste of social studies in an orientation class. This class is for the purpose of acquainting us with our new school, teachers and schoolmates. It is necessary to acquaint every beginning student with the information he needs.

World history is the study of the conditions of the world in which we live and is offered as an elective subject in our sophomore year. Along with world history comes world geography, which is also offered as an elective.

Our next encounter with social studies is in our junior year, when we are required to take United States history. This history course gives us a background of our forefathers and introduces us to our government.

Student instruction

Here is where Lincoln lived.

Let see—where is it?

Wake up!

In our senior year we are required to take civics, which is the study of our government. Civics teaches us the laws and rights of mankind.

The other semester of our senior year is filled with sociology, economics or Latin-American history.

Sociology is the study of society and living conditions.

Economics is the study of the science of man's activities, devoted to acquiring material possessions to satisfy his wants.

If you are interested in studying about our neighbors to the south, Latin-American history will give you all the facts—past and present.

In the Junior High teaching orientation is Mr. Gerald Clark, Miss Mary Foltz and Miss Martha Nash.

Teaching world geography is Miss Mabel Beaver.

Mr. Alfred Maurer teaches world history.

United States history is taught by Mr. Raymond Bender, Mr. Ellis Hopkins, Mr. Heber Short and Mr. Maurer.

Mr. Bender, Mr. Hopkins and Mr. Short teach civics.

Teaching economics and sociology is Mrs. Edythe Van Camp.

Foreign Language Department

Goethe once said, "He who does not know a foreign language does not know his own." The Latin and Spanish taught at Jefferson aid us in the understanding of our English language.

Until one has studied a foreign language, the value of it cannot be appreciated. Foreign languages play a major part in modern life; for example, our English language has many derivatives. From the study of Latin we learn a great deal about our own language and gain knowledge of the contribution made by the ancient Romans.

"Quo Vadis?" If you are going into the field of medicine, law or science, the study of Latin is important. Latin, the basis of many English words, helps us to better understand our own language.

If you are interested in taking a trip to South America or in learning the habits of the people, Spanish teaches the ways and customs of our neighbors to the south.

To know a foreign language helps a person broaden the cultural aspects of life in this world.

Miss Carolyn Griffin and Miss Wahneta Mullen are the Latin and Spanish teachers, respectively.

Physical Education Department

Two years of physical education are required for all Jefferson High School students.

The girls receive their training under the guidance of Mrs. Gertrude Krueger, Mrs. Emily Price and Mrs. Jane Wargon.

The girls' classes engage in such sports as volleyball, basketball, tumbling, ping-pong, softball, kick soccer and bowling. The fundamentals of modern dancing are taught to the girls in their second year of physical education.

Mr. Marion Crawley and Mr. James Lyboult keep a watchful eye on the boys while they engage in games of football, basketball and baseball.

In the fall the boys' classes meet at Jefferson Athletic Field. During the winter months, classes are held in the gymnasium. The boys return to the athletic field in the early spring for the warm weather activities. During the course of the year, the boys take part in football fundamentals, body-building calisthenics, volleyball, kick soccer, softball and basketball. After learning the fundamentals of these games, the boys have a chance to show what they have learned by actually playing the many games.

The girls' and the boys' classes combine during the first semester for lessons in social dancing and in the second semester for square dancing.

Mr. Orval Martin instructs the boys' health education classes.

ORGANIZATIONS

"All work and no play makes Jack a dull boy." This slogan plays an important role in determining the purposes of most of our organizations at Jefferson. Sponsoring dances, mixers, picnics and dinners, they provide many diversions from the dull humdrum everyday school life. Many convocations are sponsored by the various organizations of Jeff for the entertainment and enjoyment of our school day.

Of course, they have their serious side, too, as is shown by the picture on the opposite page. Formal initiation and other such services are very impressive and add to the memories of the members. Organizations also participate in many activities which provide for the betterment of our school as well as for the student himself.

The organizations of Jefferson are well sponsored and provide well guided forms of diversions and recreation for high school students.

Bronc Hi-Y

Based upon the purpose "To create, maintain and extend throughout the home, school and community, a high standard of Christian character," the Bronc Hi-Y has become one of the most prominent boys' clubs here at Jeff.

Composed of senior, junior and sophomore boys, this year's club had thirty boys participating in its activities.

Some of the events of the year were a fall and a spring picnic, formal initiation ceremonies, movies and slides.

The club sent delegates to the Fall District Convention held at Logansport and the Spring District Conference. They also sent delegates to the State Older Boys' Conference, which was held at Kokomo. During the fall the club operated a concession stand at all of the home football games.

Some of the convocations sponsored by the Bronc Hi-Y included the Kaitsenko Indian Dancers and Mr. Lawrence Lacour. The latter was sponsored by both the Bronc Hi-Y and the Jeff Hi-Y.

The club met the first, third and fifth Tuesdays of each month in the Pine Room.

Officers of the club were Ronald Gordon, president; Joe Bumbleburg, vice-president; Mack Wootton, secretary; David Lux, treasurer; Bill Funcheon, sergeant-at-arms, and Hugh Robertson, chaplain. John Linville served as refreshment chairman for the year. These officers were guided by the sponsors, Mr. Ellis Hopkins and Mr. Ernest Cortner.

Radio

Again this year Jefferson students participated in the "Citizens of Tomorrow Speak" program over radio station WBAA.

Many students entered in school competition of the Voice of Democracy contest. Mary Ann Hostetter was chosen to represent Jeff. She won the county and state contests. Her radio script was entered in the national contest.

Forensics

Rapidly increasing in popularity and importance is the Forensics Club, sponsored by Mrs. Jane Williams. To qualify for membership, a student must take part in one speech activity.

The fields covered are original oratory, humorous, dramatic, oratorical declamations, radio announcing, poetry reading, extemporaneous speaking and one-act plays.

This year's activities were Central Indiana Oratorical, American Legion Oratorical, Indiana Forensic Association Contests, Purdue Legislative Assembly and Ball State Speech Festival.

"Better visual aids for classroom education" is the motto of the members of the Jefferson Audio-Visual Club, who throughout the day extended innumerable services to the students and teachers.

Each hour there was an elected head who assigned selected students to operate the equipment in use that period. Sometimes there were as many as six films to be shown in one hour, not including the record player, wire and tape recorder and slide film projectors.

The club met during home room every other Wednesday to discuss problems, plan annual parties and learn the use of new equipment.

The public address system, which was in use during the ball games and all convocations, was operated by Ray Wood, captain; Charles Merkle and John Krueger.

The advisor of this club was Mr. Leonard Smith, who directed the care and upkeep of the equipment and the rented films. Helping Mr. Smith was Mr. Bill Levering, who assisted in the running of the public address system.

Wearers of the block "J" are the boys in the J Club who are the proud owners of the award. This block "J" represents skill in the field of sports during their high school careers.

Under the leadership of Coach Marion Crawley the J Club elected the following as their officers this year: Bill Niemantsverdriet, president; Vernon Rohr, vice-president; and Charles Church, secretary-treasurer.

This year's J Club sponsored the first mixer of the basketball season, which was on November 20, 1953, after the Jefferson-Lebanon game and held a spring picnic.

Consisting of about sixty members, the boys of the J Club were the rope holders at all the home basketball games.

Lonnie Little led the J Club's section at the home basketball games in many cheers that helped lead the Jeff Bronchos to victory.

A Cappella Choir

No doubt you have heard the strains of familiar songs every morning during first hour. This means that Miss Camilla White is at work preparing the A Cappella Choir for some of its numerous programs.

Miss White's assistants were Mary Margaret O'Brien, Janet McClannen, Albert Pearlman and Mike Ricks, who served as section leaders. Mike Ricks was assistant director.

The choir participated in "Hoof Beats of 1954" on January 28 in the finale, singing "Country Style" and "Tenderly." In the "Red and Black Revue" the choir took part in act two and sang in the finale.

Mr. Robert Semmes, practice teacher from Indiana University, assisted Miss White in directing and rehearsing during the first semester.

Ruth Sites, soloist from the choir, attended the State Solo and Ensemble Contest at Frankfort and received a first division in class A. She went on to the All-State Solo and Ensemble Contest at Butler University and received a third division.

The choir sang in the Purdue Chorus, the All-State Chorus, the Spring Festival, held at Jefferson, and sang Christmas carols in the halls, December 23, 1953.

Girls' Glee Club

During fifth hour on Mondays, Tuesdays and Wednesdays, if you happened to pass room 116, you probably heard the melodious notes of "Tenderly" or some other songs. You're right if you guessed it to be the Girls' Glee Club, directed by Miss Camilla White. This club is open for membership to any girl who enjoys singing.

Many activities were enjoyed throughout the year. The Girls' Glee Club participated in the finale of the Red and Black Revue in the dedication to education, industries and churches. They sang "Christmas Candles," "I Want An Old Fashioned Christmas" and "Hallelujah" chorus in the Christmas Concert, December 20, 1953.

The girls sang in the Music Festival held at Jefferson in April and for Commencement in June. The girls also sang for Crouch PTA, Centennial PTA and the PTA Council.

The Girls' Glee Club, along with the other singing organizations, had a skating party at Aca Y Alla. The party was for all choir members and their dates.

Officers elected this year were Phyllis Richardson, president; Linda Fleming, secretary; Linda Isfalt and Velma Crockett, librarians, and Anita Jo Klinker, reporter.

Accompanist was Judy Spiker.

Sunshine

Open to any sophomore, junior or senior girl, the Sunshine Society is Jefferson's oldest organization. The purpose of the Sunshine Society is "To spread sunshine and good cheer." It has done well this year in accomplishing what its purpose states.

A fund of $500 was set up to provide the music department with equipment which was destroyed by a flood last summer in the school basement. The profits of the Bronchoette Gallop, $225, were given to the Riley Hospital of Indianapolis. Every Sunshine Society in the state contributes to this fund.

On February 18 the annual Valentine party for the Cary Home children was held at which they were presented with gifts from the Sunshine members. Games were played and refreshments were served.

Meetings were held during home room period. Two evening meetings were held in November, 1953, and January. At these meetings two films were shown. The first film was "James Whitcomb Riley," and the second was "The Terrible Truth."

The Sunshine Society is busy throughout the year. About fifty members attended the District V Convention held in Delphi, October 10, 1953. On April 10 the State Sunshine

Society

Convention was held at Wabash College. In September, 1953, Patsy Douglas, Betty Ann Evans and Miss Martha Nash attended a Sunshine Society luncheon in Indianapolis.

Carol Conder and Janet Goodnight were co-chairmen of the Bronchoette Gallop held at Allen's Ballroom on October 3, 1953. The theme of the informal dance was "Hay Ride." The Gallop is an annual "girl-ask-boy" dance when it is the girls' turn to treat the boys. They pick up their dates by their own means of transportation and present them with home-made corsages made of anything and everything from cabbage to toy cars. They treat them to eats after the dance and then journey to the boy's home.

On January 21 about one hundred and fifty people attended the Mother-Daughter Banquet held at Marshall's Cafeteria. Mrs. Claude Potts, State Dean, was speaker of the evening.

Mary Shoemaker was chairman of the candy sales, which profited $320. Sigrid Karlstrand sold the most candy, one hundred and sixteen boxes.

Miss Martha Nash, in her first year with the Sunshine Society, was sponsor.

Officers of the year were Patsy Douglas, president; Ardis Cochran, vice-president; Betty Ann Evans, secretary; and Pauline Minneman, treasurer.

Choralairs

In the department of music at Jefferson, one of the popular organizations is the Choralairs, under the direction of Miss Camilla White.

The Choralairs have enjoyed many activities throughout the year. At Christmas time, they bought gifts and groceries for a needy family. They contributed money to the Community Chest and sang at many different churches and Parent Teachers' Association meetings. In the Red and Black Revue they presented their own act.

As in years past they joined with other organizations of other schools for a Spring Festival in April at Jeff. In February the Choralairs and other singing groups from Jefferson joined with some thirty-five high schools in the Purdue Chorus, a yearly event. They also sang for Commencement in June.

The Choralairs consist of four sections, which include soprano, alto, tenor and bass. Each section practices a certain morning of the week at seven-thirty. Section leaders were Alice Veit, soprano; Janice Maple, alto; Jim Hurliman, tenor; and Larry Massey, bass.

Officers for the year were Gwendolyn Evans, president; Joe Rodocker, secretary-treasurer; and Ruth Ann Hoffman, reporter.

Sounding a low rumble and a crash, another strike is called. Sounds like these are quite frequent every Thursday night after school during the winter season at the Lafayette Bowling Alleys when Jefferson's Bowling League takes its turn at hitting the pins.

Along with being a healthful recreation, bowling creates within its members a keen sense of sportsmanship and companionship. The Bowling League was sponsored by Mr. Richard Thoennes.

The league is composed of six teams, one team to an alley, which compete intramurally each week. Topping the teams were Harry Myers' Four Aces. The other teams and their captains were the Four King Pins, Donald Cook; the Big Boys, Lawrence Ramey; the Corkers, Clifford Kincaid; the Little Boys, George Kingery; and the Hotshots, Ora Strong.

Donald Cook scored the high game for the season with a 216, and Bob Schley scored the high set for the year with a 545.

Future Teachers of America

Education is essential in our lives; therefore, teachers are always in demand in every field of teaching.

Jefferson provides a club, the Future Teachers of America, to aid students who are interested in a career in education.

The club's purpose is "To provide a preview of teaching to Future Teachers of America members, to develop better citizens, who work together for a better school, community and country."

The members met every first and third Wednesday of the month. At these meetings they had speakers, panel discussions, movies and group singing. Picnics and parties were also enjoyed throughout the year.

Each year the club sends representatives to the annual State Future Teachers of America Convention, this year at North Manchester. Members who attended were William Driscoll, Norman Everhart, Carol Fisher, Harold Garth and Nita Robinette.

Sponsors were Mr. Raymond Bender and Miss Wahneta Mullen.

This year's officers were Carol Fisher, president; Sue Manis, vice-president; Mark Fischer, secretary; and Ruth Ann Alkire, treasurer.

Girls' Advisory Council

Sixty-five girls of the Girls' Advisory Council, under the sponsorship of Mrs. Marian Gettings and Mrs. Nina Harris, participated in many different projects. The Girls' Advisory Council is open only to senior girls who have been recommended by the faculty.

The purpose of this organization is "To define and inspire strong character, provide a democratic means for the girls of Jefferson High School to express their ideas, to develop a program which will lead girls to think more seriously and to express their thoughts more intelligently." They also strive "To plan programs which will lead to self-improvement and an understanding of behavior which is socially acceptable and encourage a greater number of girls to participate in their activities."

One of the outstanding projects this year was at Christmas time, when the girls filled a Christmas basket and decorated a Christmas tree for Miss Emma Heineman at her home. Miss Heineman was a former Jeff custodian.

At all of the home basketball games the Girls' Advisory Council had charge of the check room. At each game several girls ran the check room. Some of the members acted as scouts during the six periods of the day for the general office.

During the polio drive, girls from the Girls' Advisory Council collected money at the theaters and basketball games for the polio fund.

Officers were Janet Goodnight, president; Betty Ann Evans, vice-president; and Marlene Taber, secretary-treasurer.

Girls' Athletic Association

Presiding officer this year of the Girls' Athletic Association was Joyce Baker with Marjorie Brown, vice-president; and Linda Macy and Margaret Mink, secretary and treasurer, respectively.

The club, sponsored by Mrs. Jane Wargon, engaged in such activities as softball, kick soccer, basketball, volleyball and badminton played in the gymnasium, bowling at Star Lanes Bowling Alleys and archery at Jefferson Athletic Field. In the little gymnasium the girls participated in ping-pong, shuffleboard, paddle tennis and modern dancing.

Outside activities included walking, bicycling, roller skating, ice skating and dancing at the Youth Center or elsewhere.

The girls engaged in the Basketball Clinic, January 8, at Purdue in the Woman's Educational Building.

On December 22, 1953, the Girls' Athletic Association had a Christmas and Initiation party in the Pine Room.

Part of the out-of-town activities included basketball at Lebanon on January 30, West Lafayette on February 19, Kokomo on February 20 and Anderson on February 27.

Tri Hi-Y

"To create, maintain and extend throughout the home, school and community high standards of Christian character" is the purpose of the Tri Hi-Y. The Jefferson Tri Hi-Y Club is affiliated with the National Y.W.C.A. and is under the sponsorship of Mrs. Edythe Van Camp.

Initiation of new members was held December 10, 1953, in the auditorium with candlelight services. The Tri Hi-Y girls formed a Christmas caroling party, December 18, 1953, and went caroling at the St. Anthony's Home and the Pythian Home. The Pythian Home was presented with a fruit basket from the Tri Hi-Y. After caroling the party returned to the cafeteria for refreshments.

Combined with the boys' Hi-Y Clubs and the Sunshine Society, the Tri Hi-Y had an evening meeting and program at which a film entitled, "Dope Addiction," was shown. Refreshments were served.

Any girl in Jeff is entitled to become a member of this organization if she is interested in its functions and willing to participate in its activities.

This year's officers were Pequetti Wilhauck, president; Sue Bussell, vice-president; Phyllis Ade, secretary; Judy Doty, treasurer; Margaret Lynch, chaplain; and Joyce Longren, sergeant-at-arms.

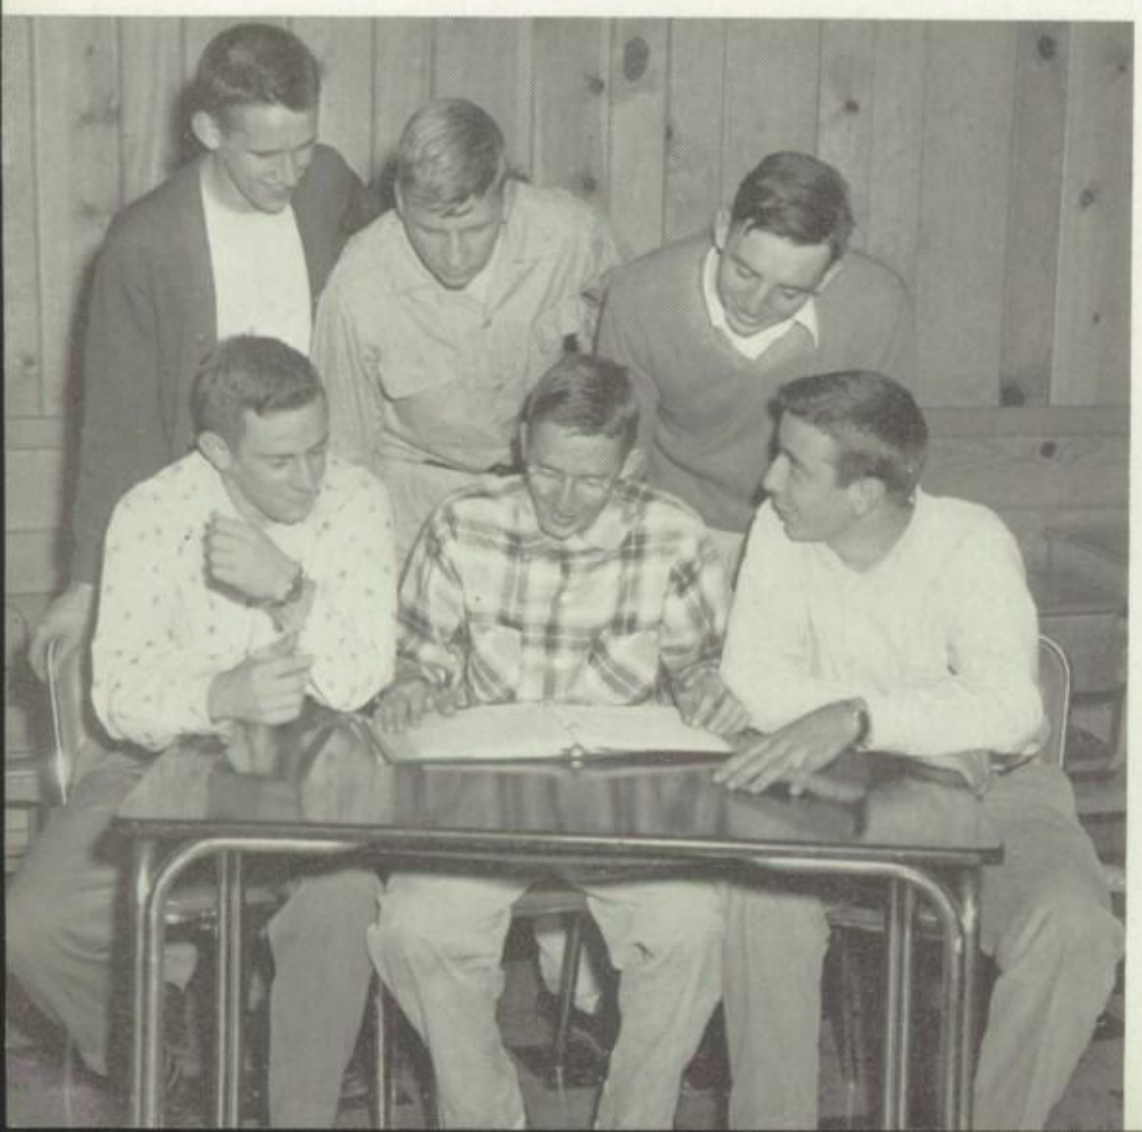
Seated: Roni Cohen, treasurer; Jack King, president; Don Stitz, secretary. Standing: Dave Wellman, chaplain; Charles Church, sergeant-at-arms; Bill Niemantsverdriet, vice-president.



Every club or organization has a job to do. The purpose of the Jefferson Hi-Y is "To create, maintain and extend throughout the home, school and community, high standards of Christian character."

Highlighting the year were several activities, including the traditional Thanksgiving convocation, the Christmas convocation and the picnics held throughout the year. The club had its own concession stands at the home football and basketball games.

For the first time the annual Queen of Hearts Dance was held in the North Ballroom of the Purdue Union Building on the 30th of January. The important event of the evening was the crowning of the queen chosen from candidates petitioned by the Hi-Y members.

Sponsoring the Hi-Y were Mr. Bill Levering and Mr. Leonard Smith.

Officers for the year were Jack King, president; Bill Niemantsverdriet, vice-president; Don Stitz, secretary; Roni Cohen, treasurer; Dave Wellman, chaplain; and Charles Church, sergeant-at-arms.

Junior Red Cross

I like that idea!

Serving the community is a big job, but the Junior Red Cross did its part by rendering many valuable services.

At the beginning of the school year, each home room elected a representative and an alternate for the organization. This group met every Thursday during home room as the Junior Red Cross Council.

On November 5, 1953, the council launched a membership drive with a convocation. The council collected almost $80 and packed thirty-five gift boxes as a result of the drive.

Among the projects undertaken by the council were making Christmas favors for the institutions of this community. They also sold carnations at a basketball game. Mr. Edison Clark's classes made clipboards and cribbage boards, and Miss Lucile Campbell's classes made an afghan for the Junior Red Cross.

Judy Klepinger served as president of the council. Other officers were Beverly Knox, vice-president; and Dave Hawkins, secretary-treasurer. Joe Bumbleburg served as county president.

Miss Martha Nash sponsored the Senior High projects, and Mr. Lawrence Reed sponsored the projects undertaken by the Junior High Red Cross Council.

Latin Club

Toga clad students and tenth grade Roman soldiers were on hand with many avid Latin students for the gala Roman Christmas banquet which was held December 17, 1953, in the Pine Room. Entertainment came in the form of a Roman style show and two light comedies, "The Marriage of Nero" and "A Roman Holiday."

Officers, elected the first meeting, were Don Good, president; Zoe Wagner, vice-president; Mary Claire Finley, secretary; and Jerry Rusk, treasurer. The Latin Club was sponsored by Miss Carolyn Griffin.

The club met once every month and had a program of pictures, films or plays. Mr. Charles Hopkins showed films of his trip to Rome and other parts of Italy at one of the meetings. A picnic was held near the end of the second semester.

The aim of the Latin Club is "To promote interest in Latin and to help students to learn how the Romans lived and of their customs and habits."

What a feast!

That is what it says here!

Spanish Club

Sponsored by Miss Wahneta Mullen, the Spanish Club is for students who have taken or are taking Spanish. Its purpose is "To make members more familiar with Spanish customs and traditions."

Meetings were held on the first Monday of every month. A business meeting began the evening; later came the recreation and refreshments. Dancing to the "discos espanoles" and seeing films about our Latin-American friends were always enjoyed.

Many activities were carried on throughout the year. The most important events were the Christmas party in December and the Spanish dinner held in April. The grand finale was the spring picnic.

This year's officers were Mike LeVitt, president; Carol Risk, vice-president; Linda Silver, secretary; and Barbara Query, treasurer.

Booster Staff

One thousand, three hundred and twelve subscriptions—a new record of subscriptions sold by the BOOSTER Staffs was set in 1954.

Quill and Scroll and the National Scholastic Press Association rated the BOOSTER first class and at the Wabash Valley Press Conference, the BOOSTER received the outstanding newspaper award.

Mr. Charles Hopkins, advisor of the BOOSTER, is president of the Advisor's Division of the Indiana State High School Press Association for 1954.

The BOOSTER Staffs worked hard to get out their editions but found time to put out several special editions, a six-page Christmas edition, an April Fool's Day humorous edition and a six-page senior edition.

Jeff Gillaspy and Linda McNeely attended the High School Journalism Institute at Indiana University last summer to better their knowledge of the workings of a newspaper.

Former BOOSTER Staff members Jerry Ahler and Jeff Gillaspy wrote sports stories for the Lafayette Leader and Lafayette Journal and Courier, respectively.

Our "flying journalists" kept flying. The first semester the BOOSTER Staff flew to Columbus, Ohio, October 15, 1953, to tour the Columbus Dispatch. The second semester the journalists flew to St. Louis, Missouri, to tour the St. Louis Post-Dispatch, April 13.

Norma Becht, Shirley Berry, Eleanor Dimond, Janet Feaster and Joanne Schmidt attended the Wabash Valley Press Conference at Indiana State Teachers College, October 2, 1953, and came back with a trophy for the BOOSTER'S winning first place. Joanne Schmidt received a scholarship to Indiana State, and Eleanor Dimond and Shirley Berry won second and fourth places, respectively, in a writing contest.

Jeff Gillaspy, Martha Jacobson, Linda McNeely and Joanne Schmidt attended the Indiana State High School Press Association at Franklin College on October 23 and 24, 1953.

Representatives from the paper also attended Journalism Field Day at Butler University.

Joanne Schmidt and Linda McNeely were editor and assistant editor of the BOOSTER the first semester. The second semester Martin Flynn and Nancy Worden were editor and assistant editor, respectively.

Future Business Leaders of America

The trip committee
Financing the trip

By having a candy sale in the gymnasium and selling tickets for several skating parties held at Aca Y Alla, the Future Business Leaders of America made money for their many activities.

At the beginning of the school year, a wiener roast was held at Monitor Springs. In October, 1953, the group held another wiener roast at Tecumseh Trails Park.

At Christmas time the club had a Christmas party and a gift exchange at the home of Carolyn Aker.

The Future Business Leaders of America Club is made up of students taking a commercial course or a commercial subject. Its goal is to promote a better business world for tomorrow.

Meetings were held once every two weeks in the Pine Room and room 131. They discussed problems of the business world of the past and present and contributed ideas for fewer problems in the future.

The Future Business Leaders of America took a trip to Chicago, Illinois, on April 25 and 26 to tour the Armour plant and the Merchandise Mart.

The sponsors this year were Mr. James Ade and Mr. Kenneth Andrews.

This year's officers were Mildred Anderson, president; Pat Button, vice-president; Betty Etter, secretary, Carol Gingrich, treasurer; and Rosalie Brown, reporter.

Library Assistants

Have you ever wondered who the students were that help you find books, pick out periodicals and check material in and out of the library? They are the members of the Library Assistants Club who are taking a credited course from Mr. Leonard Smith, the librarian, along with helping the many students who come in and use the library.

The duties of the library assistants are many and tedious, consisting of carding books, shelving books, helping to process books, processing magazines for circulation, reading shelves, checking books and periodicals in and out and helping the individual students find books and prepare reports.

The assistants of each hour check attendance and books, during second and third hours receive mail and process it, and during first and fifth hours deliver library notices for overdue material.

Officers of the Library Assistants Club were John Linville, president; Vivian Forster, vice-president; and Marlene Shoaf, secretary-treasurer. Other members were Barbara Carpenter, Betty Carte, Beverly Coy, Betty Culp, Donna Dexter, Norman Everhart, Joan Gaines, Donna Habben, Julie Jacobson, Dixie Mitchell, Anita Thompson, Jane Thompson, Ronald Ward and Carol Webb.

Student Council

"For us to have freedom, we must have government and laws." In 1776, our forefathers died on the battlefields so that we might have a government of the people, by the people and for the people. Our Student Council is carrying on this same idea, only in a different manner.

The council played an important role in relaying the opinions and ideas of the students to the faculty. It performed many constructive services such as urging students to keep the cafeteria clean, promoting better relations with other schools and taking charge of senior and junior elections. Also the Student Council sponsored several convocations during the year; and this year they made the noon lunch more pleasant by playing records in the cafeteria.

In its second year, the suggestion box has proved very successful in getting the views of the students.

The council met every Wednesday morning, with each home room having a representative present. On Thursday the representative reported to his home room the happenings of the meeting. Thus, every student actually took part in the government at Jefferson.

Often the council asked advice of the faculty on certain problems that arose in the meetings. The faculty was always willing and ready to co-operate when they were consulted by the organization.

Officers of the Student Council were Jeff Gillaspy, president; Mike Costello, vice-president; Harold Traviolia, secretary; Evaline Baldwin, assistant secretary; and Dick Crosser, treasurer.

The Student Council's sponsors were Mr. Ernest Cortner, Mrs. Marian Gettings and Mr. Milt Leverenz.

Stage work, running spotlights, operating gymnasium lights and making many school repairs are among the activities taken over by the organization of the Master Machinists, sponsored by the machine shop teacher Mr. Harold Wills.

"To foster a close 'tie' between local industries and the vocational machine shop and to co-operate with all departments of the high school" is the purpose of the Master Machinists Club. This organization has grown and expanded until it is one of the noted organizations here at Jefferson.

President of the Master Machinists was Donald Childers, with Bob Lockard as vice-president and Ralph Smith as secretary-treasurer. Bill Martin was elected sergeant-at-arms.

To top off many of the interesting things the club has done was their trip to Kokomo, along with a trip through a local building in West Lafayette.

Displays of the Master Machinists' Work were sent to the Superintendent's Conference at Purdue, and a display of the same was held in a local downtown store.

Every year a few selected students are sent on special trips to observe the operation of different machines.

The members of the club were Robert Arnold, Edward Barton, Donald Childers, Alan Francis, Richard Galloway, Clifford Kincaid, Robert Lockard, William Martin, James McMurray, Marvin Phillips, Dick Rogers, Ralph Smith and Ralph Williams.

Concert Band

Winning many first divisions at the State Solo and Ensemble Contest, held February 6 at Frankfort, were the members of the Concert Band. At the All-State Solo and Ensemble Contest February 20, Dave Keen received a first division with a drum solo.

The sole function of the Concert Band is to play at concerts and contests.

"Hoof Beats of 1954" was a take-off on the lighter side of the band's talents, presented January 28 in the gymnasium. A portion of "Hoof Beats of 1954" was given over WFAM-TV, February 8. On March 15, the Concert Band appeared on television playing several selections.

On December 20, 1953, the band played in the annual Christmas Concert and in the Spring Concert in May.

The Concert Band entered the State Band Contest at Shortridge High School, Indianapolis, April 3, and won a second division.

Combined with the Varsity Band, the Concert Band marched in the Army Day parade in May.

The Concert Band's president was Richard Stover, and the student director was Dave Keen.

Senior Orchestra

Under the baton of Mr. Richard Bowles, the new director, the Senior Orchestra gained much recognition for the music department of Jefferson High School.

The members of the orchestra in their white and black uniforms, being led by David Culross, concert master, were a familiar sight at Jeff's musical productions.

One of the shows which the orchestra helped to make a success was the Red and Black Revue. Several members of the orchestra showed various talents in "Hoof Beats of 1954" also.

The orchestra also participated in the annual Christmas Concert, December 20, 1953, given by the musical organizations.

With the orchestra, the A Cappella Choir co-operated in making a recording of "Sons of Jefferson" to be played on radio station WASK before each sports event broadcast over that station.

Looking back over the year, the orchestra, its members and its director should be applauded for their co-operation in playing for school events and for helping to make our school year enjoyable.

Varsity Band

"There's something about a high school band . . ." This statement appears to be true as the Varsity Band plays at all home basketball games and parades.

In his first year at Jefferson, Mr. Richard Bowles took the "B" Band, which was largely made up of freshmen and sophomores, and turned it into a Varsity Band.

Don McNeil and Roger Hoffman won first divisions in class D at the State Solo and Ensemble Contest at Frankfort, February 6, on the alto saxophone and drums, respectively.

Pat Runner, Nancy Verplank, Mary Ellen Woodley and Barbara Pitman were the majorettes, who proudly strutted their stuff at all home football and basketball games. Pat Runner and Nancy Verplank, co-sergeants of the majorettes, won first divisions at the State Solo and Ensemble Contest, October 18, 1953, at Speedway. On February 20, they entered the All-State Solo and Ensemble Contest at Butler University and both won second divisions. Mary Ellen Woodley and Barbara Pitman received second divisions in the State Solo and Ensemble Contest, along with a quartet composed of the four majorettes.

The Varsity Band marched in the Christmas parade and the Army Day parade with many other bands from surrounding communities.

Jerry Brenner was band captain of the Varsity Band. His duties were to take charge of the band in the absence of the band director, and he was responsible for the maintenance of music stands in the gymnasium after basketball games.

The music librarian was Carolyn Anderson.

In order to become eligible for the recreational music trip, band members must amass a total of five "points" or credits by working for events which benefit the musical organizations and which take place outside of school hours, such as participation in shows and revues, working at concessions at athletic events and working on work details.

This year the bands went to Chicago for their senior band trip.

Nautilus Staff

This book, the 1954 NAUTILUS, is the record of your senior year at Jefferson High School. It is not only a record of the NAUTILUS Staff's year of 1954, but it is also a record of endless hours of work from the opening day of school until the day the book went to press.

Joe Bumbleburg, editor, had the most important assignment, which was to put the book together. He was assisted by Sandra Masters, assistant editor, who worked with the division pages.

Phyllis Ade, photo editor, and her assistant, Margaret Lynch, organized all the senior and faculty pictures.

The copy was written by Pat Runner, literary editor, and her assistant, Marsha Vance, with the assistance of all the other staff members.

Subscriptions and payments were handled by Jack Ward, assistant business manager. Hugh Robertson, business manager, had charge of the photo-ads.

Ronald Gordon, sports editor, and Mack Wootton, assistant sports editor, wrote the sports stories and organized the sports section.

The big job of typing fell on our secretary, Pequetti Wilhauck.

Paul Beihl, photographer, took all the photo-ads and many of the pictures that appear in the book.

Our art editor, Kay Young, worked on posters and the art work in the NAUTILUS.

The advertising staff under Mr. Elbert Morgan consisted of Harold Garth, Bob Livingston, Judy Spiker and Carroll Wade.

The responsibility of aiding the staff fell to Mr. James Ade, the NAUTILUS advisor, who did a superb job.

SPORTS

Our entire school year is built around a cascade of sports.

In the fall of the year such sports as football and cross-country are prevalent. Participation in basketball, wrestling and swimming make up the winter sports calendar. In the spring baseball, track, tennis and golf are the popular activities.

We at Jefferson are fortunate to have such a well-rounded sports program. We have the most sports events possible in which to participate in Indiana High School Athletic Association activities.

This schedule of a wide variety of sports affords an opportunity for nearly everyone to take part.

Sports play an important part in the student's life in that they not only help to build up his physical strength, but they also help considerably to build his mental strength and character.

The picture on the opposite page shows the captains of the Jeff wrestling team and the Waukegan, Illinois, team flipping a coin to see who gets the choice of offensive or defensive positions.

Mr. Marion Crawley
Athletic Director

Coach Crawley

Coach Marion Crawley, head coach of football, basketball and golf, undoubtedly one of the best high school coaches in Indiana, has proved again this year his ability to develop winning teams. But in addition to this, his personal interest in the benefits of the athletic program and his high sense of sportsmanship have earned for him the respect of the whole school and community.

Coach Crawley who is also Jefferson High School's athletic director, was born in Putnamville and attended Greencastle High School. While there he participated in basketball and football. He then entered DePauw University and later entered Columbia University, New York, to obtain his Bachelor of Arts and Master of Arts degrees. While in college he played football, basketball and baseball.

After coaching at Greencastle, he coached at Washington High School and then came to Jeff twelve years ago. During his coaching career he has won three state championships, two of which were at Washington and the other at Jefferson.

Since 1942 Mr. Crawley has coached Jeff to eleven sectional championships, five regional championships, four semi-final championships and one coveted state title in 1948 in the Indiana State High School Basketball Tourney. Also during this time, Jefferson has captured the North Central Conference title in basketball three times and in football five times.

Crawley's football teams have won eighty-three games while losing twenty-two and tying five. His roundball teams have won two hundred and twenty-seven games while dropping eighty-six.

Coaching is not Coach Crawley's only duty. He teaches boys' physical education classes, also.

See that opening?
If you all get behind us, we will win.

Football

Jefferson's gridmen had a winning season this year, flashing eight victories and two losses. They bettered last year's record by one win. With a tough schedule, the Bronchos started and finished the season strong, with their two losses coming in mid-season.

Coach Marion Crawley's crew started their job in bruising style by rolling over Central Catholic of Fort Wayne 40-0 and Frankfort 28-0, before coming home to trample Kokomo by a 27-6 score.

After losing to an always strong Indianapolis Cathedral 26-7, the Bronchos returned to style in a high-scoring tussle with Anderson 46-21. After being beaten by Indianapolis Arsenal Technical 25-19, they took revenge by trouncing Logansport 41-0.

Following the Logansport victory, the Jeffmen outscored Crawfordsville 19-0 in a hard downpour and overpowered Marion 26-6.

The annual tussle with West Lafayette was next on the Broncho schedule. With much spirit and eagerness, the ironmen willingly waded into it, coming out with an eye-opening victory of 33-0.

Several honors were won by the boys and the team. The team finished third in the North Central Conference. Our team also had the second highest scorer in the conference in the person of Ted Barrett.

Bill Niemantsverdriet and Vernon Rohr were co-captains of this year's team. Bill was elected outstanding player by his teammates.

Thus, the Jeff footballers had something to be proud of when they had finished their task.

End of a long journey.

B-Team

Finishing with a season's record of five wins, one loss and one tie was the B-Team football team. Coached by Mr. John Lazar and Mr. Morris Etter, the team was guided through a tough schedule.

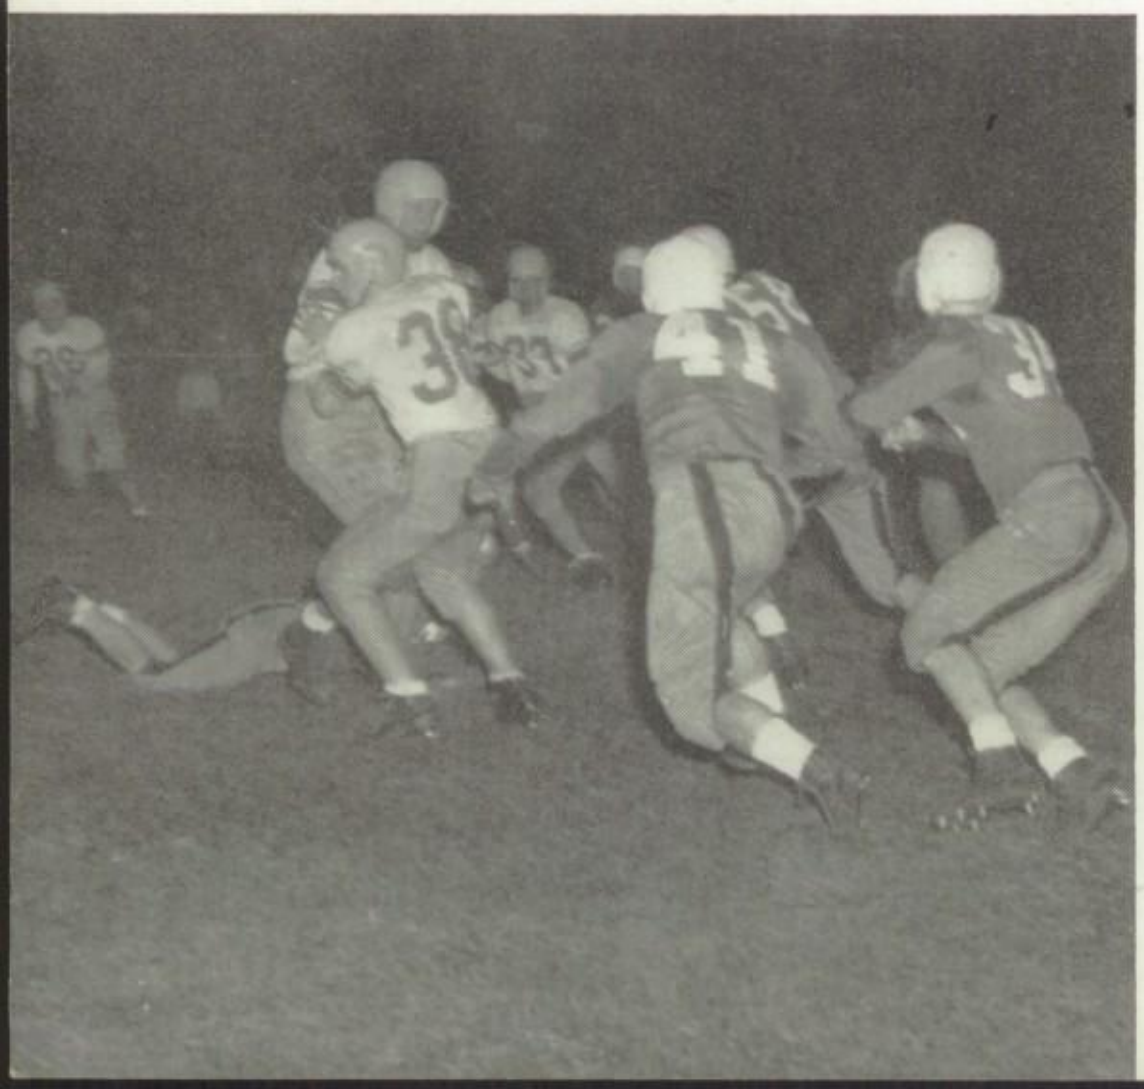
Jefferson's reserves opened their season against Logansport, with the Colts winning 6 to 0. Kokomo was the next victim of their assault. Kokomo lost by the same score.

Indianapolis Cathedral proved to have too much power for the local team, winning 7 to 0. Anderson held Jeff's boys down fairly well, holding them to a 13 to 13 tie.

The next opponents all fell under the trampling feet of the Jefferson youngsters. The first to fall was Crawfordsville, by a score of 26 to 7. Against the Delphi reserves the B-Team scored an impressive victory. Their score was 32 to 14. In the final game of the season, Jeff won 13 to 6. This victory was over the same Logansport team, which Jefferson had defeated earlier in the season.

The Colts who saw plenty of action this year were Bill Bol, Dick Cornelius, Ronnie Fisher and Bob Johnson in the backfield. Performing in the line were Ronnie Brunger, Dick Cadle, Leon Dickson, Jerry Fisher, Dale Humm, Pat McDowell, Chester Platt, Bob Schlientz and Howard Wyant.

The boys, having gained much experience as reserves by playing games and practicing with the varsity football team, will be ready for more rugged action in future campaigns.



Who has the ball?

Ah! Practice.

Cross Country

Running over the Purdue Golf Course for its home events, Jefferson's cross-country team was able to come up with one of its most successful seasons.

With Roy McGlothlin carrying most of the burden, Jeff won four dual meets while losing only one. Jefferson beat Kokomo in their opener by a score of 24-30. Coach Orval Martin's harriers then scored three straight wins over Attica 23-39, Frankfort 27-28 and Logansport 20-41.

For the first time in the history of our school, Jeff's colors were represented in the State Cross-country Finals. They finished twentieth in the state meet.

Members of Coach Martin's cross-country team were Mike Costello, Wayne Duff, Dick Erlenbach, Carl Franz, Roy McGlothlin, Jerry Rusk and Perry Wilkins. Dave Decker was manager.

Roy McGlothlin was selected as the team's most valuable runner.

Swimming

Coached by Mr. Jack Whalen, Jefferson's swimming team finished their season with no wins and three losses. The swimming team was composed of Ed Becht, Paul Beihl, Dick Bowers, Jim Deerr, Denny Fisher, Duane Koch, Jim Morgan, Ronald Morgan, Glenn Overman, Wally Scheffee, Bob Schlientz and Maurie Woodworth.

Jeff's first dual meet was against Columbus. The swimmers lost by a score of 53 to 22. They traveled to Muncie Burris for a meet which they lost 56 to 18. Our boys next journeyed to Hammond High for an encounter which Jefferson lost 50 to 20.

The swimmers competed in the State Swimming Meet to which Jeff was host. This year's meet was held in the Purdue Fieldhouse. Jefferson finished seventh in the meet with nine points. All of these points were scored by Maurie Woodworth. He took second place in the 50 yard freestyle and third in the 100 yard freestyle.

Wrestling

With only four lettermen returning from last year's wrestling squad, the grapplers had a season of five wins and seven losses. The returning lettermen were Frank Krecek, Bob Martin, Vernon Rohr and Dick Schrader.

Jefferson's wrestlers started with a win over Peru by a score of 32 to 18. Crawfordsville proved to have a little more power than Jeff, winning 23 to 22. Their next meet was against a strong Waukegan, Illinois, team to which they lost 27 to 19.

The team got back in the win column with a victory over the Danville, Illinois, team by a score of 42 to 10. The next meet on the schedule was with Champaign, Illinois, which Jefferson won 28 to 14. Kokomo, their next opponent, took it on the chin by a score of 41 to 9.

Running into stiffer competition at Bloomington, the grapplers came home with a 27 to 20 loss. South Bend Central left our gymnasium with a 39 to 14 defeat having been dealt to them.

Three teams from Indianapolis proved to have too much power for the grapplers. Shortridge beat them 29 to 22, while Southport won 24 to 22 and Arsenal Technical 34 to 13. The Muncie Central team won by a small margin of 24 to 23.

Jeff took second place in the North Central Conference meet with a team total of 47. Jefferson had four individual champions—Basil Richardson, Vernon Rohr, Fred Swick and Perry Wilkins.

Jeff was host school for the Sectional and State Meets in which they placed first and third, with team totals of 49 and 21, respectively.

Heavyweight State Champion is Vernon Rohr.

Basketball

For the fifth time in seven years, Jefferson High School's varsity basketball team appeared in the Semi-Finals of the Indiana State High School Basketball Tourney. This year's team had a season record of eighteen wins and nine losses. Coach Marion Crawley's basketball-minded boys finished in fourth place in the North Central Conference with a record of four wins and four losses.

The season started in a rather impressive style with Jeff winning its first three games, against Lebanon 62 to 50, Rossville 60 to 32 and Delphi 68 to 38. Kokomo went home with a 60 to 48 triumph over the Bronchos. Jefferson then traveled to Anderson for their second conference battle, winning 53 to 45. Evansville Central visited Jeff's gymnasium the next night, with Jefferson being an ungracious host, winning 59 to 48.

A conference game with Frankfort found Jeff on the short end of a score of 48 to 41. South Bend Central beat the Bronchos by a score of 65 to 64. The holiday tourney was next on our schedule, with the Bronchos hosting Elkhart, Jeffersonville and South Bend Central. Elkhart won the tourney.

Muncie Central gave Jefferson its fifth straight defeat, 71 to 48. Against city rival West Lafayette, Jeff won 47 to 40. The roundballers coupled wins over two conference foes, Indianapolis Arsenal Technical 69 to 48 and Marion 67 to 56, before losing to Logansport 68 to 59. With fine team work Jefferson won its next four games against Shelbyville 56 to 53, New Castle 73 to 54, Crawfordsville 78 to 52 and Richmond 61 to 60. Hammond High won the last game of the season by a score of 66 to 61.

The Jefferson Bronchos won the Sectional and Regional tourneys and were then beaten in the Semi-Finals by Elkhart.

Seniors who left this year's team were Bob Clark, most valuable player; Bud Goodnight and Harold Traviolia. Co-captains were Eddie Becker and Bob Clark.

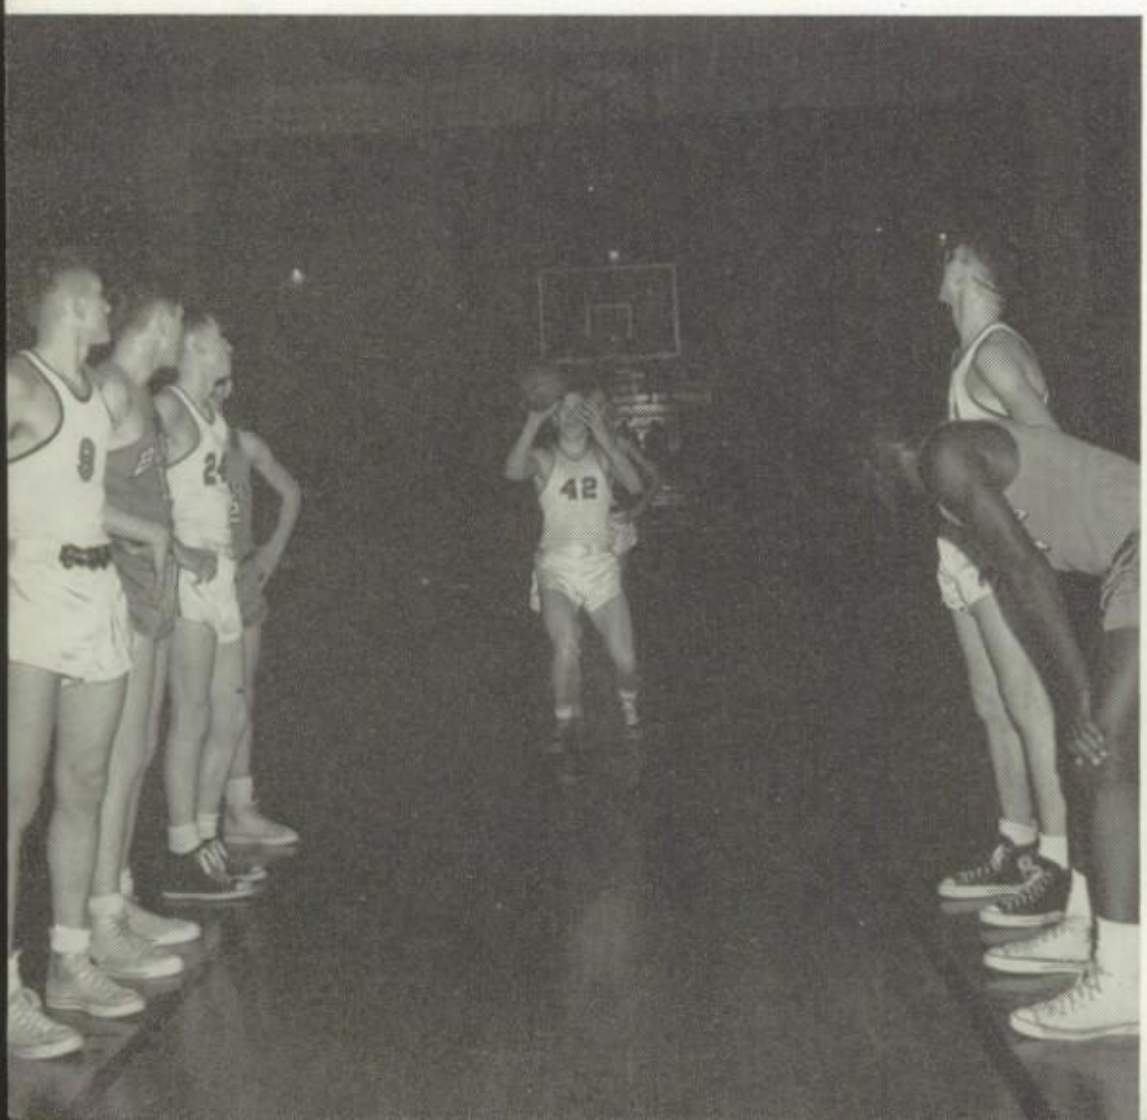
Coach Sam Lyboult's Yearlings had one of its most successful seasons in many years. The Colt roundballers won fifteen out of twenty games this year.

The B-Team opened its season against Lebanon. Jefferson won this first game by a score of 37 to 23. Rossville, their next opponent, fell beneath the sharp shooting of the basketball boys by a score of 37 to 29.

In a rather one-sided game, Jeff rolled over the Delphi team. The score was 45 to 28. Kokomo was the first team to conquer the boys' winning ways by winning 44 to 32.



Against Anderson, the Colts scored an impressive victory, winning 51 to 43. The Clarks Hill Varsity team was the reserves' next opponent; however, the Colts did not falter. They won 38 to 30.

The Yearlings ran into trouble in their next two outings. Frankfort won a hard-played game 54 to 45, while Kokomo played a good game in beating the Jefferson boys 63 to 46.

The Colts got back on the winning side against Marion, 39 to 29. Jeff won two more games before losing another contest. The first of these victories was over Muncie Central 45 to 39 and the other over city rival West Lafayette 42 to 37.

Indianapolis Arsenal Technical was the next team to beat the Jefferson B-Team. Tech won by a score of 38 to 31.

Jeff, playing Marion for the second time, won the first of a string of seven consecutive victories. Marion fell 39 to 36. Against the Buck Creek varsity, the Colts scored an impressive win. Their score was 77 to 62.

Logansport lost to the Jefferson boys 45 to 42, while Shelbyville fell by a score of 52 to 36. New Castle was the fifth victim on Jeff's string, losing 35 to 24. Crawfordsville proved to be no problem for the Yearlings, falling 46 to 35.

In the last two games of the season, Jefferson rolled to an easy triumph over Richmond 42 to 29 and lost a close game to Hammond 49 to 45.

Seeing the most action for the Colts were Bill Bollock, Leon Dickson, Carl Franz, Don Good, Jim Leverenz, Gene Thomas, Maurice Vaughn and Richie Wortman.

Tennis

In the previous years the Jefferson tennis team, coached by Mr. Gerald Clark, had to get along without courts, but with the new courts in full use the racket men had no complaint.

Last year the team finished with a record of three wins and ten losses. After splitting matches with West Lafayette 3 to 4 and 6 to 1, they traveled to Logansport where they lost 1 to 6.

After being beaten by Peru 2 to 6, the Bronchos rolled to their second victory by whipping Marion 6 to 1. In the next six matches the Jeffmen were on the small end of such scores as Frankfort 0 to 9, Logansport 2 to 5, Crawfordsville 0 to 7, Anderson 1 to 6, Muncie Central 3 to 4 and Indianapolis Arsenal Technical 1 to 6. After swallowing these defeats, the team rolled over Kokomo 5 to 2 and was downed by Richmond 1 to 6.

This year's schedule consisted of matches with West Lafayette, Crawfordsville, Marion, Indianapolis Arsenal Technical, Muncie Central, Anderson, Danville, Illinois; Frankfort and Kokomo on Jeff's courts. Out-of-town matches were at Peru, a four-way tourney at Logansport, and Richmond. The last match on the schedule was a four-way tourney at Jefferson.

Returning lettermen for the Bronchos were Dave Lux and Dick Haugh, although much support was given from the rest of the squad who were Ed Becht, Jim Blosser, Jerry Bush, Dave Hawkins, Dave Jones, Mike LeVitt, Duane Lods, Bob Painter, Lynn Plaster, Jerry Puckett, Jerry Rusk, Bob Schlientz, Jack Schult, Stan Scott, Dude Taylor and Jack Ward.

The tennis team's manager was Curtis Morrison.

Golf

Although bothered by occasional rains, the golfers were able to wade through their season and come up with a job well done. Coached by Mr. Marion Crawley, the future Ben Hogans putted their way through their schedule and finished the task in good order.

The Jeffmen started their season early in April by traveling to Crawfordsville, then returning to Lafayette to play host to Frankfort. After completing their duel with Frankfort, they met Logansport, Frankfort and New Castle in a four-way contest. Three days later, still going strong, the Bronchos encountered Richmond and Marion on their home green. Then, after a four-way match with Indianapolis Arsenal Technical, Kokomo and Anderson and a dual meet with Muncie Central, the Jeffmen entered the conference meet, held on their own course.

With the cry, "Fore!" still resounding across the greens, the Bronchos then traveled to LaPorte, and then on to Anderson. Following the three-way meet with Crawfordsville and Peru, the golfers swept through the sectionals at Indianapolis. With two matches against West Lafayette, one at home and one away, the Crawley gang finished the season at Indianapolis in the State Meet.

The outstanding golfer this year was Don Childers, ably backed up by Dick Etter, Don Good, Bud Goodnight, Kenneth Hahn, Denny King and Don Stitz.

Last year Jefferson placed fourth in the North Central Conference and fifth in the LaPorte Invitational, finishing their season with a record of four wins and six losses.

Staff

Very important cogs in our faculty machine at Jefferson are our athletic coaches. They not only assist our teams in winning ball games, but they also play a vital part in our school life. Besides coaching our teams, many activities and organizations are planned and sponsored by our coaches.

Our coaches teach the physical education courses which are required of everyone. Also, many of them teach regular classes during the day, in addition to their coaching duties.

Mr. Marion Crawley is athletic director and coaches football, basketball and golf. Mr. Gerald Clark, Mr. James Lyboult, Mr. Orval Martin and Mr. Norman Willey are head coaches of tennis, baseball, cross-country and track, and wrestling, respectively.

Baseball

Going along with last year's baseball record of fifteen wins and six losses was a third place finish in the North Central Conference. Last year's conference record was five wins and three losses.

The Bronchos won games against Lebanon 8 to 2, Kokomo 3 to 1, lost to Muncie Central 5 to 3, won a double-header from Danville, Illinois, 7 to 4 and 9 to 6, beat Lebanon again 3 to 2 and Frankfort 1 to 0. Jefferson's baseball team then won a double-header from Crawfordsville 7 to 1 and 10 to 5, and walloped Greencastle 14 to 0. The baseballers had four more successive victories against Marion 7 to 6, Terre Haute Gerstmeyer 3 to 2, Anderson 2 to 0 and Hammond Noll 4 to 3. Logansport snapped a string of eleven consecutive victories by winning 2 to 1.

After beating Hammond High 1 to 0, Jeff lost three straight games to Indianapolis Arsenal Technical 6 to 5 and a double-header to Oak Park, Illinois, 6 to 5 and 5 to 3. In their last two games the baseballers won against Richmond 7 to 2 and lost against Terre Haute Gerstmeyer 7 to 5.

Senior prospects for this year's team were Larry Shuman and Mike Flanagan on the mound. Trying for positions in the infield were Bill Burgess, Charles Church, Joe Redd and Larry Welch. Among the outfield candidates were Roni Cohen and Jack King.

This year's schedule consisted of games with Lebanon, Muncie Central, Crawfordsville, Indianapolis Arsenal Technical, Danville, Illinois, Frankfort, Hammond High, Anderson, New Castle, Indianapolis Ben Davis, Lebanon, Kokomo, Zionsville, Logansport, Danville, Illinois, Crawfordsville, Terre Haute Gerstmeyer, Hammond Noll and Hammond High.

Track

With nine lettermen returning to the cinders this year, Coach Orval Martin's outlook was for a successful season. Returning to this year's team were seniors Bob Clark, Roy McGlothlin, Bill Niemantsverdriet, Dave Pitstick, Mike Ricks and Harold Traviolia.

Juniors who were back for another year of competition were Paul Cooper, Lonnie Little and Steve Martin. Also returning was senior manager, Joe Bumbleburg.

Coach Martin lost five men from last year's team. Missing were Walt LeBegue, Jim McClatchie, Paul Melton, Ken Nicholson and Bob Ubelor.

Jefferson's first track meet this year was the Bloomington Relays. Our harriers faced Indianapolis Shortridge in its first dual meet. The next opponent for the Jeffmen was Frankfort.

The Jeff team entertained Hammond Clark on their own oval. Following this, Jefferson competed in the Attica Relays, with the Delphi Relays next on the schedule. Their last dual meet was held at Logansport.

The Bronchos played host to the North Central Conference track meet this year. After the North Central Conference meet, Jeff traveled to Frankfort to take part in the Central Indiana Track Meet.

Jefferson swung into action for the State Meet by traveling once again to Frankfort to compete in the Sectionals. The State Meet was held on the Indianapolis Arsenal Technical oval.

I'll take it from here.

"Forward march"—is the command of Jack King, the Pep Band's drum major, as he leads them in one of their many spectacular performances, whether it be on a football field or marching down a street.

The Pep Band made a fine showing as they marched their way down the field at three of the out-of-town football games. These games were at Frankfort, Indianapolis Cathedral and Marion.

Pep Band

Dick Stover was the originator and the captain of the Pep Band.

At some of the pep sessions a "J" and other formations were executed on the gymnasium floor.

Having been in existence for six years, the Pep Band has been willing to play whenever their services are needed.

The members of the Pep Band were John Cooper, sousaphone; Larry Cress, trumpet; Dick Erlenbach, clarinet; Norbert Fisher, baritone; Dave Hawkins, cornet; Bill Hurley, trombone; Dave Keen, drums; Jack King, drum major; Jim Krecek, cornet; John Linville, baritone; Duane Lods, clarinet; Jim Loveless, cymbals; John McCord, bass drum; Ronnie Morgan, clarinet; Jim Snyder, trombone; Tom South, bells; Dick Stover, cornet; Charles Thompson, cornet; and Don Williams, clarinet.

All of these boys play in the Concert Band also.

Row 2: G. Johnson, D. Jackson, D. Beaver, D. Decker, B. Davis.

Managers

Not a team is complete without a manager to keep it in order.

The managers of the basketball teams were Bill R. Davis and Gary Johnson, varsity; Don Jackson, B-Team, and Lynn Nicholson, freshman.

Joe Bumbleburg and Bill R. Davis, varsity; Dave Beaver, B-Team, and Dennis Overly, freshman, were the managers of the football teams.

Taking care of all the equipment, giving first aid, keeping statistics and track of the players are the manager's duties.

Bill R. Davis, Dave Decker and Curtis Morrison were the baseball, cross-country and tennis managers, respectively.

The managers of the wrestling team were Joe Bumbleburg and Dennis Overly.

Joe Bumbleburg and Dave Decker were the track managers.

Block Section

Consisting of one hundred and eight-two members, the Block Section is one of the gay attractions at all of the home basketball games.

Junior and senior girls, dressed in their white V-necked sweaters with red collars, made up the Block Section.

Evaline Baldwin was captain of this year's Block Section and Pauline Minneman was co-captain.

One of the main attractions of the Block Section is the spelling out of the individual names of the opponent in the "Hello Opponent" yell.

The sponsor of the group was Miss Carolyn Griffin.

Some of the songs sung by the Block Section were the Jefferson Pep Song and the Freshman Fight Song. Of course the loudest strains of the Jefferson school song were sung by the Block Section, who at all times were yelling their loudest for the Jeff Bronchos. They never stopped yelling!

Captain: Evaline Baldwin
Co-captain: Pauline Minneman

Yell Leaders

"Fight, Jeff, fight, fight, Jeff, fight, . . .;" this is one of the familiar cheers led by the varsity yell leaders that helped lead the Jefferson Bronchos to victory.

Approximately ten new yells and songs were introduced to the students this year by the cheerleaders.

The varsity yell leaders, who were Mary Ann Hostetter, captain, Monna Cuppy, Margie Donahue and Merle Hazelbaker, became members of the National Cheerleaders Association of America this year. They attended the North Central Cheerleaders Conference at Indianapolis Arsenal Technical High School and the Indiana State Cheerleaders Conference at Indiana University last fall.

Duties of the yell leaders were to plan pep sessions, assist the Block Section and plan skits for the pep sessions. They sponsored mixers and were hostesses to the visiting yell leaders of the Holiday Tourney teams.

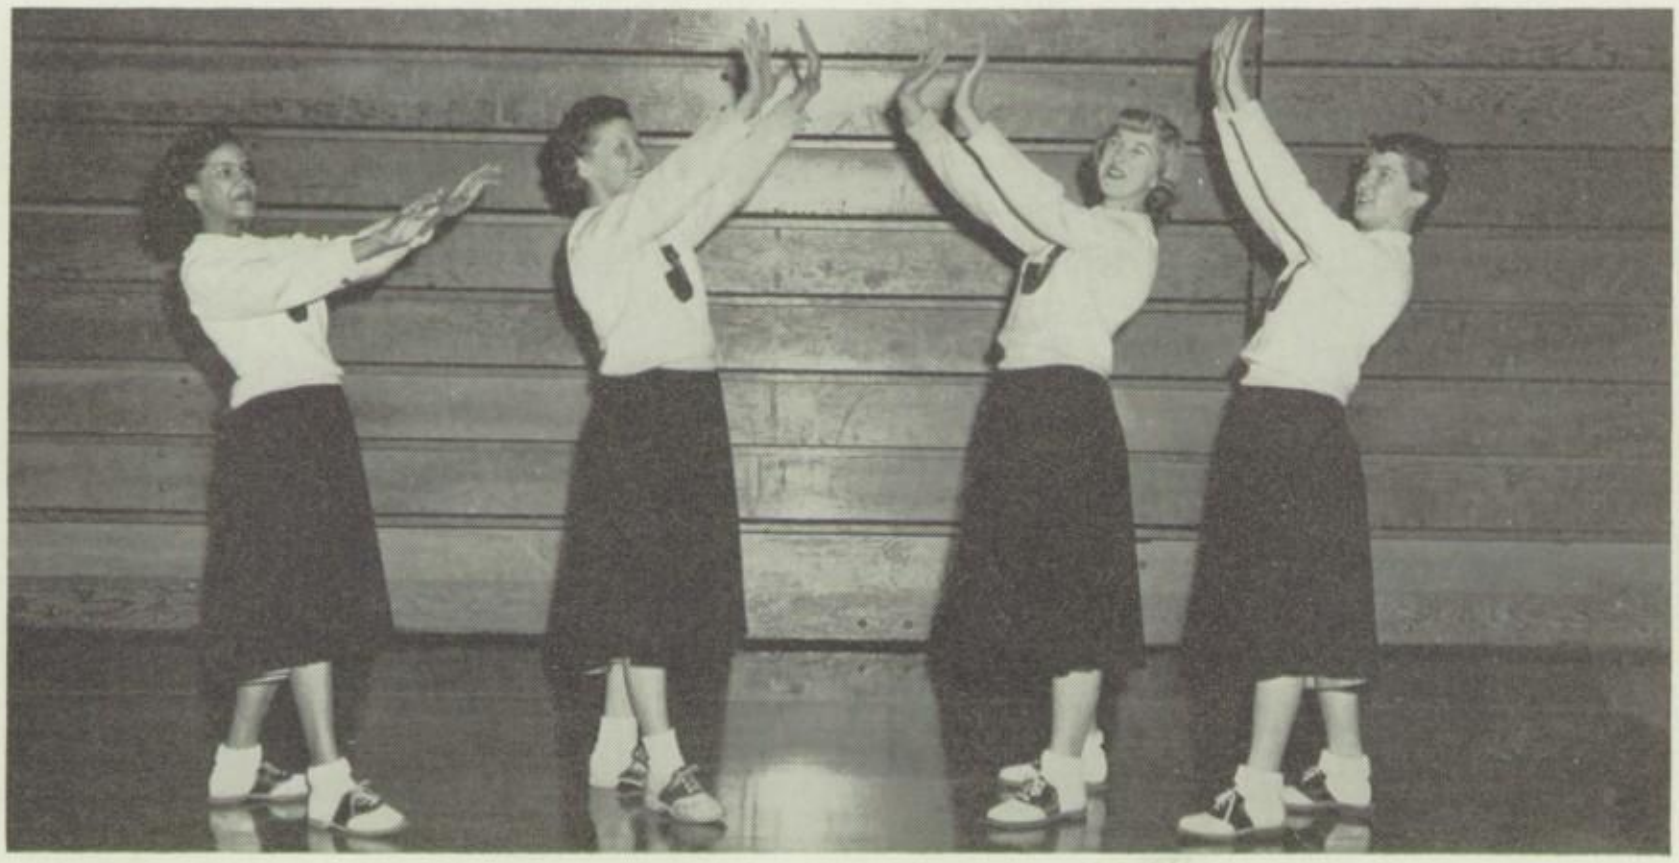
The girls followed the team to all of the out-of-town games to help lead them to victory.

Of great importance were the B-team yell leaders, who were behind the future varsity team of Jeff. They were Gwendolyn Evans, captain, Sue Bussell, Judy Spiker and Marsha Vance, who attended all home and out-of-town games except the Muncie game.

They introduced many new yells and Miss Betty Callahan's song, "So Give A Cheer."

Varsity Yell Leaders: Marjorie Donahue, Monna Cuppy, Merle Hazelbaker, Mary Ann Hostetter.

B Team Yell Leaders: Gwendolyn Evans, Judy Spiker, Marsha Vance, Sue Bussell.



STUDENTS

Here we have a picture of a typical Jefferson girl and boy. Their hopes, ambitions and joys are fulfilled right here at our own school. Education, extra-curricular activities, sports, dances and parties make up the merry-go-round of their everyday high school life. All of these prepare them for adulthood whether they further their education by going to college or go on their own immediately after graduation.

How soon we realize the importance of our schooling and what it did for us, even though at the time we may have dreaded it. Yes, there were times when we wished we did not exist especially when the one thousand word theme was supposed to be finished and it was not, or the time when it was our turn to give our final speech. There were those times, but there were also times never to be forgotten when we felt as if we were sitting on top of the world, like the Senior Play or the Senior Prom.

Whether it be those tests, field trips, picnics or dances we will always remember Jefferson, especially when we are on our own road of life.

Long live Jeff!

Seniors

President Bill Niemantsverdriet

Unlike last year's election the boys won the majority of the 1954 senior class offices. The ticket was split, however, with Bill Niemantsverdriet, president; Merle Hazelbaker, vice-president; and Don Stitz, secretary-treasurer. The defeated candidates were Mary Ann Hostetter, Marlene Taber, president; Norma Hall, vice-president; and Rosanne Finley, secretary-treasurer.

The seniors made money for their "big-name band" Prom by selling name cards, selling popcorn, soliciting magazine subscriptions and conducting paper drives. Selling Jefferson red and black buttons for the tourneys was another project undertaken by the seniors. Money was made by all these projects along with money made in their junior year towards the Prom.

A senior talent show was presented on April 28 to entertain the students, faculty and the public and to make money for the Prom. Sponsor was Mr. William Fraser.

Chairman of the finance committee was Jack King. Others on this committee were Rosanne Finley, Jeff Gillaspy and Mary Ann Hostetter.

Heber Short was chairman of the senior dinner committee. Nancy Dye and Mary Boncyk were on his committee.

On the cap and gown committee were Mary Margaret O'Brien and Marlene Taber.

The senior convocation committee consisted of Mike Ricks, chairman; John Cooper, Janet Goodnight, Denny King and Nancy Worden.

The Prom committee chairmen were Nancy Verplank, band; Karen Edwards, invitations; Barbara Carpenter, publicity; Phyllis Ade, decorations; George Simler, refreshments; Pat Runner, coatroom; Joe Redd, programs; and Harold Skadberg, tickets.

Senior Play committee heads were Mary Ann Hostetter, tickets; Karen Edwards, make-up; Betty Culp, costumes; Rosanne Finley, programs; Beverly Knox, properties; Roberta Watkins, paint crew; Mary Lou Kaiser, publicity; and Helen Posthauer, cast party.

Don Stitz, secretary-treasurer; Bill Niemantsverdriet, president; Merle Hazelbaker, vice-president.

Juniors

Preparing for their coming senior year, our junior class had a very successful year aided by many projects.

On October 22 and 23, 1953, the juniors and seniors had a combined paper drive, which netted $151. In November, $105 was made on another paper drive. Wax sales by the juniors brought in $50.

The biggest event of their year was the Junior Variety Show held February 23, which netted $430. Diane Mosier was general chairman of the show, and Marty Flynn was master of ceremonies. Sponsors of the show were Mrs. Marian Gettings and Mrs. Edythe Van Camp. Committee chairmen were Bob Barcus, publicity; Norma Becht, music; Ann Price, house; and Mary Shoemaker, tickets.

A mixer held in December added to their goal. Mack Wootton was chairman. At tourney time the juniors sold black derby hats to the students of Jefferson.

An all boy team made up the officers this year. They were Paul Cooper, president; Bill R. Davis, vice-president; and Ronnie Bollock, secretary-treasurer. The defeated girls' ticket consisted of Jane Fowler, president; Pauline Minneman, vice-president; and Linda McNeely, secretary-treasurer.

JUNIOR HIGH

Consisting of seventh, eighth and ninth graders, our Junior High is actually a stepping stone from elementary school to high school. The addition of a Junior High division has helped to orient students with high school life. These years in Junior High School are spent getting familiar with the high school routine as well as carrying on the regular subjects provided for that level.

Junior High students enjoy many activities such as organizations, classes and sports similar to those in which Jefferson Senior High students participate, only in miniature. In this way the wide gap between grade school and high school is closed.

The Junior High division has not only aided the student to acquaint himself with high school life, but it has also helped to ease the drastic schoolroom shortage due to increased enrollment of first graders in the Lafayette school system.

In the fall of 1954 the Junior High School students will enjoy a new Junior High building, which will house the seventh and eighth grades.

The picture to the right shows an everyday occurrence when the three o'clock bell rings and the Junior High students are out from another hard day's work.

ADVERTISING

Advertising, being in the back of the yearbook, is misplaced. If it were not for the cooperation of the merchants and townspeople of Lafayette, we would be unable to publish a yearbook at a low cost. We now would like for you to see of what our town consists.

Our livelihood would be practically impossible if it were not for our merchants. Lafayette is certainly fortunate to have such a variety of stores and business enterprises. In turn the merchants are fortunate to be situated in such a wealthy community which can afford this great variety. Since we do have such a prosperous downtown district, many people from surrounding communities come to Lafayette to do their shopping.

The picture on the right shows three Jefferson High School girls gazing into the window of one of the downtown stores.

We would like to take this opportunity to thank all the businessmen who have done such a service for our townspeople.

Acknowledgments

The 1954 NAUTILUS Staff wishes to extend its thanks and appreciation to the many people who have helped make this year's book a success.

We would like to thank Mrs. Marian Gettings and Mrs. Lelah Zahn for their willingness and patience in showing us our mistakes in literary work; Miss Lina Bright, Miss Regina Schrader, Miss Mary Catherine Harrington, Miss Ruth Levering for helping us to take care of our financial work and subscription sales; Mr. Jack Swezey of Phillips Photo Center for doing such a grand job on the individual and action pictures; the Lafayette Engraving Company for its fine work on the engravings; the Lafayette Printing Company for an excellent job of printing the 1954 NAUTILUS; and the S. K. Smith Company of Chicago, Illinois, for doing a wonderful job on the covers.

We also would like to express our gratitude to the principals and teachers for their ceaseless help and co-operation. The 1954 NAUTILUS Staff deeply appreciates everyone's kind assistance.

Thank you.
